The RB Stash gets Raided by Jolo.

Ben is on a NolaMuffins run right now. We don't see where he can possibly win a game and he's sold off all his parts to improve. Jolo surged to two straight wins and has a real chance of running the table to make the playoffs despite starting off 0-6. This is a tale of two different management styles. One sold everything, one shook it up. So far the shaker is doing better than the seller.

George's Hotstreak Continues.

Four in a row. The war criminal has won 4 games in a row. We still don't know if we believe the hype long term, but George's team is here to stay for now and will be competing for a playoff spot barring a catastrophic collapse. Sorry That Had 2 Happen 2 U.

David M Skirts by Vic, Superteam Fraud Watch?

Is David M a fraud? According to our calculations, he has the 2nd highest luck score of all managers. This guy didn't even play a defense and still won. He's lucky Vic's whole team was on bye, otherwise he may have lost control of the first seed. We'll see if he can hold off Devon, or if he'll fall into the peasantry like the rest of us. Meanwhile, Vic needs a win against David G to have a shot for the playoffs.

GAME OF THE WEEK:

Luckiest Man in the World Wins Again.

The luck streak continues as Zay Flowers' donut due to Lamar getting hurt on the first play swung this game in Devon's favor. Tony Pollard's hot streak continued, while the usual suspects, Golden, Allen, McBride, and Hubbard, chipped in. A big victory for Devon as he continues chasing David M for the first seed a chance at the title for the first time since the year 1. Cesar, on the other hand, has lost his position on the rest of the league and will be fighting for the 3-6 spots—unless he finally unlocks a RB2.

Joey's Black Magic Still Alive.

Harold Fannin had 154 yards, Wilson had 111 and a tuddy, and Turen had his breakout game. This is a massive loss for Dylan as it's a two game swing in favor of Joey. Theae teams are for 6th and Dylan has dropped 3 straight. Bowers and TLaw tried their best but they could not overcome the black magic.

Bank Robber Wins Mid Off.

Aaron Rodgers flag.gif. Jhajuan wins a lucky one. Jhajuan got 54.25 points from his IDP, D/ST, and K, while David G got 23.5 points from the same. That deficit carried Jhajuan to victory this week. Jhajuan is in the fight for the 3-5 seed as of now, while David G's season is likely over.
